56. On the above date and time I was dispatched to the above location for a call of an assault.

Upon arrival I was met by victim [REDACTED] who was lying on the ground inside the McDonald's side door. [REDACTED] appeared to be having a seizure so the medics were immediately requested.

I spoke to [REDACTED] who was the manager at the location. He stated that he witnessed two black females assaulting victim [REDACTED] in the restaurant area. He advised that they were punching victim [REDACTED] in her head and pulling her hair. Witness [REDACTED] advised that during the struggle victim [REDACTED] intervened and attempted to separate the suspects from victim [REDACTED]. Witness [REDACTED] advised that the two black female suspects then punched victim [REDACTED] in the face which caused her to become disoriented. Witness [REDACTED] advised that victim [REDACTED] then fell to the ground after struggling to fend off the suspects and the two suspects fled the area.

I interviewed victim [REDACTED] about the above incident. She advised that she was walking to the bathroom inside of McDonald's when she got into a verbal argument with two black females (later identified as suspect [REDACTED]). Victim [REDACTED] advised that the suspects then began punching her in the face with their fists and pulling her hair. She stated that she then was pushed to the ground. Both suspects then left the restaurant. She advised that she did not know the subjects.

I interviewed victim [REDACTED] about the above incident. She advised that she saw that two black female suspects were fighting victim [REDACTED] in the restaurant so she walked over to break the fight up. Victim [REDACTED] then was punched in the face by the suspects. I observed victim [REDACTED] to have redness around her right eye which is consistent with someone punching her in the face. Medical attention was declined.

Officer Leary was approached by interview [REDACTED] a short time after police personnel cleared the above location. She told officer Leary that she was the [REDACTED] Ms. [REDACTED] advised that suspect [REDACTED] had told her that she assaulted a woman at the McDonald's located at 6315 Kenwood Avenue. [REDACTED] also told her that [REDACTED] was with her and assaulted the woman too. [REDACTED] did not know where the two suspects walked to.
